- 8. How is final standing computed?
- 9. Are there specific site rules?
- 1 division. Sport
- 2 one division
- 3 Points only for target on ecranche ..1 for attaint, 3 for break in friable tip. 5 for breaking the lance. no points for unhorsing.

Good horsemanship is expected. Riders may be warned, penalized, or disqualified, for riding dangerously, endangering or harming the horse. Rough treatment of horses will not be tolerated.

4-7 Armour to the standard to withstand robust hits. Ideally a joust harness of full plate to the standard of 1430's Germany would be the ideal, but a helm that has a safe occularium, solid chest protection, joints and limbs will be permitted at the marshall's discretion. This is particular to the marshall of this event, Frederic Piraux. His unique knowledge set qualifies him to have judgement extraordinary to the set guidelines.

Ecranche to be provided by competitors, some spares will be available. The ecranche in it's entirety is the target.

Lances are provided by the host. 11 ft overall, three foot friable pine tip, pine or poplar base section. These lances are slightly modified from last year.

Each competitor will be given the same number of passes over the two days of tournament, and scoring will be ranked highest to lowest.

9 all competitors are to deport themselves as ambassadors of the sport.

- 1. What will the entry test consist of?
- 2. When and where will it take place?
- 3. Invitational tournament:
 - >Is selection process objective? (i.e. best ranking per country, first to register...)
 - >What are parameters?
 - >Is selection process subjective? (i.e. arbitrary invitation)
- 1 & 2 There will be a mandatory entry test before competition. There will be testing on-site, audited by the marshall. The minimum competency will be for competitors to ride and strike the quintain with a tournament lance with a solid tip (provided). It is to the marshall's discretion if the competitors will test in competency by also riding against an armoured opponent and striking their ecranche. This testing is MANDATORY, to ensure safety of the horses and to find if there are any field/ armour/lance/horse/tack issues BEFORE the tournament commences.
- 3 Selection for attendance was based on a pool of competent jousters who are known ambassadors of the sport. Final selection was done by the faire organizers. The host group then contacted the riders to invite them.
